

Miceal Chamberlain is a Managing Director for Bank of America Merrill Lynch Global Markets, responsible for fixed income and equity sales/trading operations among Boston's investment community, including mutual funds, hedge funds, insurance companies and banks.

Miceal also serves as Bank of America's Massachusetts President. In this role, he connects businesses, families and individuals to the banking and investment teams that will help improve their financial lives. He also leads the work to deploy Bank of America's resources across the market and the region to address social and economic concerns and build strong communities.
