## NSF 2022-23 Impact Report

NSF donors made a significant impact on Newton's students and teachers last school year.

Together, we funded 60 grants for new approaches in the classroom, professional development for teachers, and programs promoting equity for all students--to the tune of \$234,000. Thank you!

Read about the grants and programs our community made possible during the 2022-23 school year.
